

Polska Federacja Squasha

The Polish Squash Federation – an association for active people

The Polish Squash Federation (PSF) is an association undertaking steps to support the development of squash in Poland. One of the main goals of the organization is to register squash as a sports discipline in view of regulations regarding physical culture. The Federation implements its mission mainly by organizing sports events.

The Federation which was established in 2003, operates on the territory of the Republic of Poland. PSF is based on the voluntary work of its members. The highest authority of the association is the Membership's General Meeting which sets the main direction for the activities of the organization. The current undertakings are administered by the Board which is constituted by 3 to 5 members.

The Polish Squash Federation is a member of the International Squash Federation. More information at www.pfs.com.pl.
